Minutes

Item 1   Welcome and competition policy
Jackie Pomroy drew the attention of the meeting to the GS1 Competition policy

Item 2   Apologies for absence
Jackie Pomroy reported that apologies had been received as shown above

Item 3   Update from GS1 UK
Glen Hodgson shared the successes of GS1 UK Healthcare Conference and asked for feedback for future improvements
Glen also shared that Location Manager funding has been approved by the Department of Health and is now coterminous with existing contract.

Item 4 What have we achieved this year?
   i. EPCIS
Dave Weatherby shared that the group set out to develop the EPCIS healthcare vocabulary and it is now ready to test with implementation sites before the vocabulary is further developed.
We are engaging with NHS Digital on strategic vision of EPCIS to avoid too much localisation.
   ii. UK Registries

There is a meeting on 13th December @ Skipton House in line with the Scan4Saftey Delivery group meeting to understand how the registries can work better with Scan4 Safety trusts and utilise the data available. Registries that are due to be in attendance are National Joint Registry, NICOR, Vaginal Mesh & the Breast Implant registry.

Andy Crosbie to feedback at the next HUG meeting the outputs of the meeting

iii. Staff Identification

Staff Identification document is ready but requires some live implementations to be included from North Tees, Derby & Salisbury. After discussion it was agreed that GS1 release a draft guidance to increase awareness and then release a case study when implementation has taken place.

Action Staff ID document to be published in Jan 18

iv. Coding

Agreement from NHS Digital that OPCS coding will go ahead and have a GTINs aligned to OPCS codes

Action – Jo Goulding to speak with Lyn to ensure this is completed with Dave Weatherby
